

Together we are stronger

Produced in Kent champions local and sustainable food and helps its members grow. We are Kent's membership organisation for the local independent food and drink industry, representing over 200 growers, producers, manufacturers, wholesalers, retailers, pubs, restaurants and other food-serving hospitality outlets.

Why Join Us

The local independent food and drink industry is in the spotlight, now more than ever before – so make sure you are connected to them!

Sign up as an industry partner today to join our dynamic community of foodie entrepreneurs and enthusiasts, and access numerous benefits such as:

- Use of the Produced in Kent industry partner branding
- Listing on our website, promotion through social media & publications
- Access to our networking events
- And so much more...

“Produced in Kent have been an excellent resource for sharing our news with a wider audience. If we have a press release that we are looking to share within Kent and local communities, we know that the team will be the first to acknowledge they have received the story and will begin to share it quickly.”

JAMES, NFU MUTUAL ASHFORD, TENTERDEN & WHITFIELD
